

WALTER ELWOOD OF THE MOHAWK VALLEY MUSEUM

The WEM's Commitment

To provide educational programming and events to the youth and families of the Mohawk Valley by highlighting our area's rich history and culture, to foster in all a love of exploration, learning and action as our founder, Walter Elwood, characterized best and to preserve our collections and artifacts for generations to come.

2019-2020 Membership Campaign

We survive and thrive by being creative and vigilant with our funds. We perform many tasks in-house and utilize every resource at our disposal to accomplish more with less. Every dollar received from grants, donated from businesses or individuals, and raised through special events is used to its fullest potential. This year has been a banner year. We are in our permanent home, have twelve diverse and beautiful exhibits, hold several successful annual events at our new home, and host free annual phenomenally attended year round children's camps.

Please help the Museum build on our past successes by donating to our Annual Membership Campaign. The financial contribution you make will keep our doors open to the community and keep us thriving for many years to come.
